By signing this agreement, Consignor is agreeing to the terms and conditions of using the tagging services for The Consignment Connection – Crafters Exchange and/or Clothing Exchange Consignment Sale, hereafter known as The Consignment Connection.

#### The Consignor agrees to the following terms. Please initial next to each number.

1. \_\_\_\_\_ Examine your items carefully for stains, holes, broken zippers, buttons, low batteries, missing pieces, recalls, et cetera, before meeting your tagger to hand over your items for the current sale. Any items dropped off with the T.A.G.S. Team Member that do not meet the required specifications from our accepted/not accepted list found on our website will be returned to the Consignor unless the consignor requests that those items be donated to our selected charity. Items not meeting our guidelines and/or that do not pass the screening process may not be tagged for the sale. Items from Consignors using this service are inspected twice. They are inspected, first, by the tagger, and the second time they are inspected is at sale drop-off.
2. \_\_\_\_\_ If you are consigning with the Clothing Exchange sale, the T.A.G.S. Team Member will inquire as to whether you would like items with small stains or holes to be tagged to sell from our \$1 rack. The Consignor may also choose whether or not to sell the \$1 rack items at a discount. Any items that did not meet our guidelines and were not entered into the system to sell will be returned to the Consignor at the scheduled pickup time for the current sale unless the Consignor requests that those items be donated to our selected charity.
3. \_\_\_\_\_ The signed T.A.G.S. Agreement must be emailed to [info@theconsignmentconnection.com](mailto:info@theconsignmentconnection.com) at least 24 hours before the T.A.G.S. Team Member picks up the items.
4. \_\_\_\_\_ The T.A.G.S. supply fee must be paid to the T.A.G.S. Team Member in cash at the time of pickup. The fee covers supplies the T.A.G.S. Team Member will use while preparing your items for the sale. (See fee chart below.) If we are tagging items for the Clothing Exchange sale, all clothing items should be freshly laundered and laid flat in totes, tubs, or boxes. Place clothing sets together. Clothing sets must be the same size for both pieces. Clothing that is freshly laundered and placed on wire hangers with safety pins will receive a \$5 discount on the supply fee. The \$5 discount is only considered if enough hangers and pins are supplied for the entire load. For the Crafters Exchange sale, you will receive a \$5 discount on the supply fee if baggies and tape are supplied for all items being tagged.

5. \_\_\_\_ The T.A.G.S. Team Member and Consignor will meet at a public location that is convenient for both parties. Meetups with the T.A.G.S. Team Member should be completed in one trip. If a Consignor finds more items and a second meetup is needed, a \$15 fee must be paid in cash to the T.A.G.S. Team Member. Your supply fee could also change, depending on how many more items you find to add to the sale.
6. \_\_\_\_ Make note that some categories of items have quantity limits. Those limits are listed on our website. All items received that are over these limits will be returned to the Consignor at the scheduled pickup time for the current sale unless arrangements are made to pay the extra fee to raise your item limit.
7. \_\_\_\_ Your tote(s) will be used for sorting your items for pickup at the end of the sale. Be sure that your Consignor number is clearly visible on your tote(s). If you are donating your unsold items to our selected charity, your items should be given to your T.A.G.S. Team Member in boxes.
8. \_\_\_\_ Your T.A.G.S. Team Member will price your items as suggested by you from the T.A.G.S. online form that you submitted when requesting the tagging service. The T.A.G.S. Team Member uses their best judgment and experience and online searches for references. After all items have been entered into the system, the Consignor will be given 48 hours to have the opportunity to review the prices and other information on their tags and make any changes before the tags are printed and placed securely on your items. The Consignor will communicate with the T.A.G.S. Team Member that they are satisfied with the entries and tags can be printed. Once the tags are printed, no changes can be made to your tags. The T.A.G.S. Team Member and/or The Consignment Connection are not responsible if your items do not sell.
9. \_\_\_\_ Consignor understands that the T.A.G.S. Team Member and/or The Consignment Connection are not responsible for any theft, damage, or loss of consigned items.
10. \_\_\_\_ Consignors using this tagging service receive the perks of shopping early at the Consignor pre-sale times stated on our website for the current sale. The Consignor will receive their pre-sale passes at the information desk upon arrival on your pre-sale shopping night.
11. \_\_\_\_ It is the responsibility of the Consignor to pick up any unsold items at the scheduled pickup time listed for the current event if you have elected not to donate your items to our charity.
12. \_\_\_\_ The commission percentages for using this service will be 50% to the Consignor, 20% to the T.A.G.S. Team Member, and 30% to The Consignment Connection. Commission will be paid to each party within two weeks after the close of the current sale you are consigning in.
13. \_\_\_\_ Consignor understands that any unsold items left after the scheduled pickup time listed for the current sale will become the property of The Consignment Connection and may be donated to charity.
